

MOTION BY SUPERVISOR SHEILA KUEHL

March 15, 2016

Cesar Chavez is one of the 20th century's most influential American social activists. In 1962 he co-founded the National Farm Workers Association, later named the United Farm Workers of America, which was the first successful farm-labor union in U.S. history. It led to his most famous work, a series of strikes and boycotts that won unprecedented protections for American farm workers. Since his death on April 23, 1993, organizations such as the Cesar Chavez Commemorative Committee of San Fernando Valley have dedicated their efforts to preserving and promoting the legacy of Cesar Chavez.

On Sunday, March 20, 2016 the non-profit Cesar Chavez Commemorative Committee of San Fernando Valley will sponsor its 23rd annual Cesar Chavez March for Justice at Brand Park in the City of San Fernando.

I, THEREFORE, MOVE that the Board of Supervisors waive the cost of the Band Wagon permit fee in the amount of \$1,265.60.
